“ LEARN FROM
THE PROS ”

Program ini diwujudkan bagi meningkatkan penyertaan sektor industri dan awam dalam sistem pendidikan tinggi negara melalui perkongsian pengalaman dan kepakaran masing-masing. Antara program yang boleh dijalankan bersama CEO yang dipilih adalah siri kuliah jemputan, perbincangan panel, pengajaran bersama (co-teaching) dan lain-lain yang bersesuaian.

Role Model

CEO as an icon for students and able to improve the existing curriculum through the sharing of knowledge, experiences and best practices from the CEO to formulate a new integrated assessment via a holistic learning.

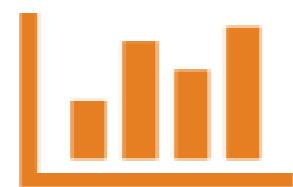

Participation

Intensify participation from the industrial sector as part of the national higher education system through sharing of experiences and expertise from the industry leaders.

Integration

Realize the integration and synergy between the industry experts with university researchers and students.

Employability

Improve graduates employability by enhancing student learning experience and reducing the mismatch in the supply and demand.

Multi-track

HLIs is able to attract, recruit and retain the best talent especially from the industry practitioners by having multi-track career pathways.

Quadruple

HLIs moves from academia operating in isolation to the quadruple helix of academia, industry, government and local communities by coming together in partnership for incubation, development and commercialization of ideas.
